**OPENING AND INVOCATION:**

The Governing Board of Directors of the Suwannee Valley Transit Authority met on the above date and time for a regular meeting.

Chairperson Don Hale called the meeting to order at 6:00 p.m. and asked Commissioner Brown to lead the invocation, followed by the Pledge of Allegiance to the Flag of the United States of America.

**ATTENDING:**

The following Board members were present: Chairperson Don Hale and Commissioners Rocky Ford, Tim Murphy, and Robert Brown. Commissioners Travis Land and Josh Smith were not present.

Also present were Administrator Larry Sessions, Board Attorney Hal A. Airth, Board Secretary Eric Musgrove, Cinda Foster, and Monica Marquardt.

**APPROVAL OF MINUTES:**

The first item on the agenda was to approve the minutes of the January 31, 2022 Regular Meeting.

**Commissioner Brown moved to approve the minutes of the January 31, 2022 Regular Meeting as written. Commissioner Ford seconded, and the motion carried unanimously (4-0).**

**STAFF REPORTS:**

**The second item on the agenda** was to hear a financial update.

Mrs. Foster noted that the financial update was in the Board's agenda packet and then briefly referenced the profit and loss sheet.

Administrator Sessions pointed out that fuel and insurance were some of the highest expenses and added that the budget for the upcoming fiscal year would be higher due to those increases. He also noted that ridership had increased from approximately 2,000 to nearly 2,500 per month, while he continued to advertise for more riders.

After questioning, Administrator Sessions stated that Hamilton County and North Florida College were working on setting up a ride program.

Brief discussion ensued on the financial reports.

**GENERAL BUSINESS:**

**The third item on the agenda** was to discuss, with possible Board action and adoption, the following items:

A) Trip and Equipment Grant – Resolution No. 2022-01

Administrator Sessions read the proposed resolution into the record.

**Commissioner Ford moved to approve a Trip and Equipment Grant – Resolution No. 2022-01. Commissioner Murphy seconded, and the motion carried unanimously (4-0).**

B) Shirley Conroy Capital Assistance Grant – Resolution No. 2022-02

Administrator Sessions read the proposed resolution into the record, adding that normally the grant did not require matching funds and had allowed SVTA to purchase several vehicles over the years.

**Commissioner Ford moved to apply for the Shirley Conroy Capital Assistance Grant – Resolution No. 2022-02. Commissioner Brown seconded, and the motion carried unanimously (4-0).**

C) 2022/2023 Budget – Resolution No. 2022-03

Administrator Sessions stated that the proposed expenditures in the budget were \$2,952,465.95, although he did not anticipate spending the entire amount. He then discussed aspects of the budget, including funding from State and Federal sources, and noted that revenue (including grants for construction, renovations, and parking lot paving) could be as much as \$6,165,469.95.

Chairman Hale read the proposed resolution into the record.

**Commissioner Murphy moved to adopt the 2022/2023 budget – Resolution No. 2022-03. Commissioner Brown seconded, and the motion carried unanimously (4-0).**

D) Open Auditor RFQs

Administrator Sessions opened the sealed bids, noting that the request was submitted through the DemandStar online procurement website.

The first bid was from James Moore and Company of Gainesville for \$20,000 in the first fiscal year, with an increase of \$1,000 each year for five years (total five-year cost of \$110,000).

The second bid was from Powell and Jones, Lake City for \$29,800 in the first fiscal year, with an increase to \$30,700 the second year and \$1,000 more each year for the following years (total five-year cost of \$158,600).

Discussion ensued on past experience and pricing with both companies.

It was noted that James Moore and Company could charge extra for professional services throughout the year, and the “total cost” was not actually their total cost. Past experience had shown that James Moore had regularly charged for extra professional services during their previous tenure with SVTA which had added substantially to their price.

After questioning, Administrator Sessions stated that the bid was advertised as a flat annual fee only.

**Commissioner Ford moved to accept the RFQ for auditing services from Powell and Jones for a five-year total of \$158,600, noting that James Moore and Company had failed to meet the specifications for a flat annual rate as requested in the advertisement. Commissioner Murphy seconded, and the motion carried unanimously (4-0).**

- E) Bid opening on construction project
- Administrator Sessions opened the sealed bids for resurfacing (repaving) the SVTA parking lot.
- The first bid was from Anderson Columbia Company of Lake City for \$229,213.
- The second bid was from Live Oak Management Group of Live Oak for \$198,656.
- Brief discussion ensued on the specifics of the bids.
- Commissioner Ford moved to accept the construction project bid for resurfacing (repaving) the SVTA parking lot from Live Oak Management Group of Live Oak for \$198,656. Commissioner Murphy seconded, and the motion carried unanimously (4-0).**

**GENERAL BUSINESS:**

The fourth item on the agenda was public concerns and comments. (Filling out a Comment Card required and forwarded to the Chairperson. Speakers from the audience will be allowed three (3) minutes to speak following recognition by the Chairperson and must speak from the podium – one (1) trip to the podium).

There were none.

The fifth item on the agenda was Board Members' inquiries, requests, and comments.

There were none.

**INFORMATIONAL ITEMS:**

Administrator Sessions noted that there were no complaints and stated that compensatory time was fine.

After questioning, Administrator Sessions stated that a rider that had previously complained about a wheelchair incident had not made any further complaints since the video of the incident proving that it was through no fault of SVTA had been shown to her.

Brief discussion ensued on the incident.

Chairman Hale noted that the next meeting was on August 8<sup>th</sup> at 6 p.m.

Administrator Sessions further discussed ridership.

Chairman Hale noted that many people familiar with public transportation were moving into the area from large cities but might not know about SVTA.

Discussion ensued on public transportation and other ridership opportunities.

**ADJOURNMENT:**

**Commissioner Ford moved to adjourn the meeting. Commissioner Brown seconded, and the motion carried unanimously (4-0).**

There being no further business to discuss, the meeting adjourned at 6:50 p.m.
