# **TIME SPECIFIC ITEMS:**

### **STAFF ITEMS:**

The second item on the agenda was to discuss accumulated comp time from Hurricanes Helene and Milton.

Mrs. Foster noted that there were several employees who were working to drop the hours down to zero that they had received during the recent hurricanes.

Discussion ensued on hurricane-related reimbursements, that FEMA would only reimburse overtime, not comp time, and there were minimum expenses that SVTA did not meet during Debby, Helene, and Milton.

Commissioner Murphy asked for a breakdown of how much the storms had cost SVTA in extra expenses, even if some or all of it was reimbursable.

The third item on the agenda was Check Writes.

Mrs. Foster noted that the check writes for September and October were in the agenda packet, plus there was an additional payroll for a worker who had been injured. She noted the purchase of computer equipment, a new bus, bus repairs, insurance expenses, and a new shop door (which would be reimbursed by FEMA).

The fourth item on the agenda was Profit & Loss.

Mrs. Marquardt noted documentation in the agenda package from the previous and current fiscal years. She added that there would be some grant reimbursement for some of the equipment, once everything had been installed and all paperwork submitted.

Discussion ensued on selling some of the older vehicles or dropping their insurance.

#### **BOARD MEMBER ITEMS:**

There were none.

#### **BOARD ATTORNEY ITEMS:**

There were none.

#### **DISCUSSION AND ACTION ITEMS:**

<u>The fifth item on the agenda</u> was to schedule 2025 meeting dates (to be advertised in the *Lake City Reporter* and *Riverbend News*).

Chairman Hale noted the 2025 calendar with the dates highlighted. All were the second Monday of the month except for October, which would be the first Monday.

Some discussion ensued on the meeting dates and that a final decision would be made at the next meeting, when there would be some new SVTA board members.

#### **GENERAL BUSINESS:**

<u>The sixth item on the agenda</u> was for Secretary Eric Musgrove to follow up on the procurement threshold for the administrator.

Secretary Musgrove noted that he had researched the minutes from the years since he had become secretary in 2015. The latest discussion of a procurement threshold for the administrator that he could find was in the minutes of September 17, 2018, in which the Board had updated the Procurement Policy to allow Administrator approvals for purchases of up to \$15,000 (replacing the previous \$5,000 threshold), with Board approval required for anything higher. The minutes noted that the change to \$15,000 had brought SVTA's policy in line with Suwannee County's procurement policy.

Mrs. Marquardt noted that the previous administrator had signed off on higher amounts and there were also times such as payroll, the purchase of vehicles, etc. in which the administrator would not be able to sign off. She suggested that the policy be updated to authorize the administrator to sign off for certain items, especially ones that had already been authorized by the SVTA Board, as the State required SVTA to pay vendors within 5 days.

Much discussion ensued on the current procurement policy as written versus the intent of the Board, the drastic increase in prices since the policy was last adjusted in 2018, and new State requirements that made rapid vendor payment necessary.

Page 4 November 4, 2024 Suwannee Valley Transit Authority Conference Room Live Oak, Florida

The Board agreed to have the procurement policy reworded to follow ordinary business practices and allow the administrator the authority to properly conduct business, to be presented at the regular meeting in January.

It was agreed that payroll, insurance, and insurance claims were part of conducting business and not a "purchase".

The seventh item on the agenda was additional agenda items.

There were none.

The eighth item on the agenda was Board Inquiries, Requests, and Comments.

There were none.

<u>The ninth item on the agenda</u> was Administrator's comments.

Administrator Kennon discussed recent major purchases, new routes that had necessitated hiring of new drivers, and her hiring of a part-time assistant.

Discussion ensued on GIS mapping during the recent hurricanes and suggested using the same company for public transportation needs.

Administrator Kennon discussed holding SVTA workshops to review various grants.

The Board thanked Commissioner Brown for his twelve years of service to SVTA and to Hamilton County, as this was his last meeting before retiring.

### **ADJOURNMENT:**

Commissioner Phillips moved to adjourn the meeting. Commissioner Murphy seconded, and the motion carried unanimously (4-0).

There being no further business to discuss, the meeting adjourned at 6:47 p.m.
