Board Members Inquiries, Requests and Comments:

Informational Items:

Upcoming meeting: July 10, 2023 at 6:00 P.M.

MINUTES of the GOVERNING BOARD OF DIRECTORS

6:00 p.m.

OPENING AND INVOCATION:

The Governing Board of Directors of the Suwannee Valley Transit Authority met on the above date and time for a special-called meeting.

Chairperson Don Hale called the meeting to order at 6:00 p.m. and asked Commissioner Brown to lead the invocation and Pledge of Allegiance to the Flag of the United States of America.

ATTENDING:

The following Board members were present: Chairperson Don Hale and Commissioners Everett Phillips, Tim Murphy, Robert Brown, and Robby Roberson. Commissioner Travis Land was not present.

Also present were Administrator Larry Sessions, Board Attorney Hal A. Airth, Board Secretary Eric Musgrove, and Stew Lilker.

GENERAL BUSINESS:

<u>The first item on the agenda</u> was to discuss, with possible Board action and adoption, the following items:

A) Cost of living pay raise for employees

Administrator Sessions noted that based upon the State's requirement to increase the minimum wage, he had been increasing employee salaries each February. He was also requesting a 5% pay raise because of the higher cost of living.

B) Policy update to time clock

Administrator Sessions noted that there was no longer a timeclock on the wall, and he was proposing a change in language that required the employees to either be on their desktop computer (if office staff) or their app (if drivers).

Brief discussion ensued on the software used (ADP) and that only certain management could view or edit the timecard information.

Chairman Hale asked about an update on a van accident. Administrator Sessions noted that there was an accident in Lake City on Highway 41 that was not the fault of the SVTA driver. Both vehicles were engulfed in flames, but the drivers and passengers were able to escape with the help of nearby rescuers. The insurance company had been notified.

Some discussion ensued on the accident and it was restated that everyone was ok.

After questioning by Commissioner Phillips, Administrator Sessions clarified that the salary increases were due to the State's mandatory increase in minimum wage to \$15 per hour by 2025.

Commissioner Phillips moved to provide a cost of living pay raise for employees.

Commissioner Brown seconded, and the motion carried unanimously (5-0).

After questioning by Commissioner Murphy, Administrator Sessions stated that there were approximately eight employees who were making less than \$15 per hour.

Administrator Sessions noted the firing of a new driver due to a recent accident that was her fault. He added that ridership was fine and \$12 was the starting pay for drivers.

Mr. Lilker asked if employees arriving late to work was an issue. Administrator Sessions replied that there had been a small number of instances, but the new policy would hopefully stop future related issues or abuse.

Discussion ensued on if there was any leeway for employees arriving to work, and it was noted that there was not.

Commissioner Murphy moved to adopt a policy update on the time clock.

Commissioner Phillips seconded, and the motion carried unanimously (5-0).

INFORMATIONAL ITEMS:

Administrator Sessions noted a public records request received from Mr. Lilker about his contract. Administrator Sessions then personally handed his 2020 contract, which was the current one, to Mr. Lilker. Administrator Sessions also discussed Department of Transportation (DOT) funds, noting that the funds were finally beginning to trickle in.

The next meeting would be held on April 10, 2023, at 6:00 p.m.

ADJOURNMENT:

Commissioner Phillips moved to adjourn the meeting. Commissioner Murphy seconded, and the motion carried unanimously (5-0).

There being no further business to discuss, the meeting adjourned at 6:19 p.m.

Approved and adopted the day of	, 2023
Eric Musgrove	Don Hale

3.0 Hazard and Security Plan (HSP)

3.0 Security Program Plan (SPP)

14-90.004(2) Each bus transit system shall develop and adopt an SPP that meets or exceeds the security requirements set forth in this rule chapter. The SPP shall be adopted separately from the SSPP.

In accordance with Rule 14-90, SVTA has adopted, and implemented a Hazard and Security Plan (HSP), often referred to as the Security Program Plan (SPP), which covers the hazard and security portion of the system safety program. The HSP/SPP contains information about prevention, mitigation, preparedness, response, recovery, and associated organizational responsibilities. The purpose of the HSP/SPP is to specify:

- Actions required of employees on a daily, weekly, monthly, and annual basis to prevent or reduce the likelihood of security and emergency events from occurring, and to mitigate the effects of those events that do occur
- Measures needed to prepare for incidents occurring within the transportation system and in the surrounding community
- Agency procedures that should be established to respond to security hazards and emergencies that affect the system and its customers
- Formal processes to recover from routine security events or major emergencies
- Roles, responsibilities, and interagency coordination required to respond to a disaster or security event.

The HSP/SPP addresses the following hazard and security elements and requirements:

- Security policies, goals, and objectives
- Organization, roles, and responsibilities
- Emergency management processes and procedures for mitigation, preparedness, response, and recovery
- Procedures for investigation of events described under subsection 14-90.004(5), F.A.C.
- Procedures for the establishment of interfaces with emergency response organizations
- Procedures for interagency coordination with local law enforcement jurisdictions
- Employee security and threat awareness training programs
- Security data acquisition and analysis
- Emergency preparedness drills and exercises
- Requirements for private contract transit providers that engage in continuous or recurring transportation services for compensation as a result of a contractual agreement with the bus transit system.

SVTA 3-1

Suwannee Valley Transit Authority Personnel Rules and Regulations

April 10, 2023

Don Hale, Chairman	Date

order to fill out their day if such an event occurs. Such duties may include substitute driving, headquarters, minor maintenance work on vehicles, bus cleaning, washing, parts delivery, etc. as directed by supervisor.

- A. Drivers that run scheduled routes on Saturday will be guaranteed 8.0 hours paid time.
- B. It is a job requirement that all SVTA Administrative Staff, Professional Bus Operators and Supervisors:
 - Clock in and out at their assigned start time at their designated workstation
 - Clock out and back in for their own lunch/break, unless a department is utilizing a system with an automatic lunch deduction

It is prohibited to abuse or take advantage of the time clock entries.

5.3 Recall to Duty

All employees on annual leave or regular days off are subject to recall in any event of an emergency which necessitates their services. Any full-time operations staff employee as discussed in Section 6.5, who is recalled to duty will be compensated at the rate of one and one-half (1-1/2) times that of the straight hourly rate with a minimum pay equal to one (1) hour of overtime, regardless of lesser time actually worked.

5.4 Overtime/Compensatory Time

Overtime is part of every job. Refusal to work overtime without valid reason may be cause for disciplinary action. Depending on the circumstances surrounding the overtime, SVTA employees will generally be paid for working overtime for each hour worked over the employee's standard 40 hour work week. Overtime is paid at a rate of 1 1/2 times. Exempt employees (supervisory personnel) will accrue compensatory time which, when granted, will be at the rate of one hour for each hour worked over the employees standard 80 hours per bi-weekly pay period. All exempt employees must obtain prior approval, when possible, from the Administrator before earning comp time. The Administrator does not earn comp time. Compensatory time earned must be used within thirty (30) calendar days following the pay period in which it was earned, or will be forfeited. Salaried (exempt) employees shall not receive monetary payment for compensatory time, except in the event of their resignation.

5.5 On Call

The Administrator or Administrator Designee required to be available for contact from the declaration of an emergency until the notification that the threat is over, will be considered on-call. He/she will coordinate with local county officials, will plan and execute emergency transportation to and from shelters.

5.6 Administrative Leave for Pandemic

Should an employee be out due to quarantine or illness from a pandemic, the employee will be paid under Administrative Leave for the time period in question and those hours will not be taken from the employees PTO and/or Annual Leave bank. <u>SVTA will follow state guidelines on pandemic or pandemic related legislature.</u>

Section 6 - Pay and Benefits

6.1 Pay Plan

A job classification and pay plan will be adopted which provides for the equitable and fair treatment of all employees under the principle of like pay for jobs of equal value. All job positions are to be classified and job descriptions prepared.

6.2 Administrator Responsibilities

The Administrator is a delegated authority by the Board to provide the following data and to take the following actions subject to its annual approval:

1. Salary schedule with merit pay increases.

Yearly Review December 19, 2022
Updated & Approved April 10, 2023

Don Hale, Chairman

Date

Accessory items, such as farebox, electrical, destination signs, etc. are serviced and repaired as necessary.

Our target intervals do exceed some requirements of the OEM drive train intervals. Past experience proves that our scheduled maintenance is effective.

Preventative maintenance inspections are scheduled by mileage projections. Suwannee Valley Transit Authority uses the FDOT recommended "ABAC" progressive inspection method using 6,000 mile intervals. Preventive maintenance inspections are tracked electronically using a spreadsheet that shows remaining miles until inspections are due, shown in Exhibit B. The Maintenance Supervisor is responsible for logging in vehicle mileages into the spreadsheet and monitoring it to determine when upcoming preventative maintenance inspections are required. When a vehicle's mileage is within 500 miles of an upcoming inspection, the vehicle is scheduled to be pulled out of service for the inspection at a pre-determined date, as time and workload allows.

Suwannee Valley Transit Authority has adopted a version of the current Preventative Maintenance Standards Manual Inspection Guidelines Format to better match our facility and vehicles.

Wear tolerance policies are documented on inspections using the current FDOT Preventative Maintenance Standards Manual guidelines on tire tread depth. Brake pad wear is measured by a nationally accepted gauge measurement tool kit.

The Maintenance Department has no capital improvement in place. History shows that our vehicles usually exceeds mileage and time guidelines for vehicle replacement.

Suwannee Valley Transit Authority prioritizes defects for repair emphasizing safety-sensitive items first and all other items are address by vehicle route requirements and availability to a replacement vehicle along with part availability.

When safety repairs have been completed, the Technician or the Maintenance Supervisor will sign off on the repair order before the repair order is processed.

Annual Safety Inspections

SVTA Vehicles receive an Annual Safety Inspection every 12 months as outlined in 14-90.009, Florida Administrative Code. This Annual Inspection shall be the highest level of inspection received during PMI intervals, which is a level "C" inspection. If a vehicle receives a "C" level inspection during routine PMI's, that inspection shall also serve as the Annual Safety Inspection. Vehicles that do not accrue enough mileage to receive a level "C" inspection during routine PMI's will be scheduled separately and a "C" level inspection completed to serve as the Annual Safety Inspection.

Outsourcing

Outsourcing is only utilized for services that require tools and diagnostic equipment not available to the maintenance technicians at Suwannee Valley Transit Authority. Outsourcing is only utilized for specialty repairs such as front-end alignments, computer diagnostics, collision repair, and tire repairs. In these circumstances, the following local repair shops are utilized:

Walt's Live Oak Ford 1109 Ohio Avenue N Live Oak, FL 32060 Advanced Tire Service 837 E Duval Street Lake City, FL 32055 American Auto Body 13508 SW 41st Blvd Live Oak, FL 32060

Warranty

A warranty recovery system, warranty records, and annual summaries of warranty claims submitted and received are maintained by Suwannee Valley Transit Authority.

Warranty repairs are identified by maintaining warranty information in vehicle files. When a component fails, it is checked against the file for expiration time and/or mileage to determine if it is still under warranty. Documentation of warranty repairs and claims are kept in the vehicle history files to guarantee the cost of the component under warranty is paid by the equipment manufacturer and not the agency. All warranty claims are pursued until the claim is settled. Warranty parts and repairs are attached to the work order and filed in the vehicle history file.

Cleaning

During pre-trip inspections, it is the responsibility of the driver to perform a walkthrough on the vehicle and ensure that any debris on the flooring or step wells that could result any falls or slips. Any unsafe conditions must be corrected before any scheduled trips.

The drivers report all graffiti/etchings, gum, spills, or any other issues in the interior that would warrant extra material and labor from normal clean-up, on their post-trip report.

The interiors are cleaned daily by the drivers. Vehicle exteriors are cleaned either daily or as needed by the drivers with occasional assistance from maintenance technicians.

Maintenance Shop

Suwannee Valley Transit Authority's Maintenance Shop hours are from 3:30AM to 5:00PM consisting of two shifts, 3:30AM - 12:30PM and 8:00AM - 5:00PM. Staff schedules will be adjusted as needed so there will be at least one person from the Maintenance Staff per shift.

Staff members are:

Wayne Blevins, Maintenance Supervisor 8:00 a.m.-5:00 p.m. Mark Holmes, early-morning shift Mechanic 3:30 a.m.-12:30-p.m. Nick Furst, day shift Mechanic 8:00 a.m.-5:00-p.m.

Nicholas Furst, Maintenance Supervisor

Mark Holmes, Fleet Mechanic Steven Sexton, Fleet Mechanic

Maintenance personnel job descriptions are attached.

Maintenance Supervisor:

Wayne Blevins

Nicholas Furst

DUTIES INCLUDE:

- Must be Certified
- Furnish his own tools
- Monitor employees' work levels and review work performance
- Counsel employees about work-related issues and assist employees to correct job-skill deficiencies

- Removes unit, such as engine, transmission or differential, using wrenches, portable air hoist, and transmission jack
- Disassembles unit and inspects parts for wear, using micrometers, calipers, and thickness gauges
- Repairs or replaces parts, such as pistons, rods, gears, valves, and bearings, using mechanic's hand tools
- Overhauls or replaces carburetors, blowers, generators, distributors, starters, and alternators

- Create vehicle information spreadsheets when needed (DOT, Grant Funding, etc.)
- Replaces and adjusts headlights, and installs and repairs accessories, such as heaters, mirrors, and windshield wipers
- Makes minor repairs to SVTA vehicles along highway, such as replacing batteries, light bulbs, and connecting loose wires
- Promotes and monitors the use and wearing of safety and protective equipment
- Observes and promotes safe work practices and procedures
- Attends in-service-training to develop and improve knowledge and skills of a proficient mechanic
- Adheres to proper cleaning methods, storage, proper care, and disposal of equipment and supplies
- Complies with and supports all FDOT regulations and policies
- Reports all accidents and/or potential hazards to the Maintenance Supervisor and Administrator immediately, or as soon as reasonably possible
- Ensures that a clean and safe work area is maintained
- Models non-discriminatory practices in all activities
- Valid Driver's License with clean driving record (CDL Preferred)
- Address Pre and Post Trip concerns with drivers
- Other duties as assigned

Building and Grounds Maintenance:

Examples of Duties:

- · Changes air filters as needed
- Moves, repairs and assembles office equipment and furniture
- Maintains grounds; i.e., mow, pull weeds, use weedeater, etc.

Maintenance technicians have and will attend training classes provided by equipment suppliers and vendors when possible, such as classes offered by Advance Auto Parts Program.

The Maintenance Department has continual on-going training through internet sources such as, Identifix, Cummins and Autel Scanner programs and attend training classes when they are available.

Suwannee Valley Transit Authority's

Security Program Plan (SPP)

Bus transit systems are prohibited by Section 119.071(3)(a), F.S., from publicly disclosing the SPP or the security portion of the SSPP, as applicable, under any circumstance.

SVTA's SSP will be reviewed on an annual basis, with adoption by SVTA's Board of Directors.
