

Suwannee Valley Transit Authority is seeking a dedicated and dependable **Technician I** to provide essential support to our Maintenance Department. The ideal candidate will assist in the maintenance and repair of transit vehicles and equipment, ensuring safety and efficiency in our operations.

Job Title: Technician I

Job Summary:

Technician I is an entry-level position responsible for performing routine maintenance, basic diagnostics, and repairs on paratransit fleet vehicles. This role focuses on assisting more experienced technicians and maintaining safe, efficient operations of the fleet.

Key Responsibilities:

- Perform basic vehicle maintenance tasks, such as oil changes, tire rotations, brake inspections, and fluid checks.
- Assist senior technicians with diagnosing and repairing mechanical and electrical issues on paratransit buses and vans.
- Perform safety inspections on vehicles following established procedures.
- Document all services and repairs performed on vehicles in accordance with agency policies.
- Maintain tools, equipment, and the shop environment in a clean, safe, and organized manner.
- Adhere to all agency safety and operational policies.
- Report any vehicle issues beyond the scope of training or ability to senior technicians or management.
- Support fleet availability by ensuring timely completion of assigned tasks.
- Work closely with other team members and supervisors to ensure efficient shop operations.
- Performs other duties, such as basic ground and facility maintenance.
- Other duties as assigned by Maintenance Manager.

Qualifications:

- High school diploma or equivalent.
- Basic understanding of automotive systems (brakes, tires, engines, etc.).
- Strong attention to detail and willingness to learn.
- Ability to follow written and verbal instructions.
- Ability to work in various weather conditions.
- Ability to lift 50 pounds.
- Ability to stand, crouch, and kneel for an extended period.
- Valid driver's license.

Deadline for applications: Open until filled.
